

Curriculum Vitae

Gerhard Gerritzen – Deputy Managing Director, Messe München GmbH

Gerhard Gerritzen (born 1955) was appointed Deputy Managing Director of Messe München on January 1, 2010. He is responsible for IFAT ENTSORGA, IE-Expo, CERAMITEC, logitrans, Special Projects International, the Central Division Internal Services and the Central Division Construction and Technical Infrastructure. Mr. Gerritzen is also Managing Director of the subsidiary companies MMI Mittel-/Ost Europa GmbH, Vienna, and Adventor GmbH, Munich.

Before becoming a member of the Management Board, Mr. Gerritzen held a number of executive positions at Messe München GmbH, with responsibility, for example, for administration, trade-fair services, data processing, purchasing and legal affairs. In 1998 he was appointed Head of the Central Division Internal Services, in charge of the departments of finance, controlling, legal affairs, central purchasing and organization. In this function Mr. Gerritzen was also responsible for properties, affiliate companies and insurances. In 1999 he was granted general commercial power of representation for the company (*Prokura*).

After graduating in law and in business management (pre-degree) Gerhard Gerritzen began his professional career in 1985 at the Division for State Owned Assets in the Bavarian Ministry of Finance, where his sphere of involvement included breweries and companies in the trade-fair, mining and steel sectors.
